FLOORS

de Mode und Klassiker

Mode (aus franz. Mode, lat. Modus) bezeichnet im textilen Bereich die in einem bestimmten Zeitraum geltende Regel, Textilien zu gestalten oder zu tragen. Moden sind Momentaufnahmen eines bestimmten Zeitgeistes und unterliegen einem kontinuierlichen Wandel. Wenn sich ein bestimmender Zeitgeist über mehrere Modewellen hinweg hält, dann gilt das textile Muster als „Klassiker“.

Textile Mode vermittelt Emotionen, zeigt unsere Identität und trägt zu unserem Wohlbefinden bei – bei Kleidung, genauso wie bei Teppich. Darum legt unsere Designlinie FASHION FLOORS Ihnen modische Klassiker zu Füßen. Kleiden Sie Ihren Boden durch einen Teppichboden und schaffen Sie so neue und einzigartige Akzente für Ihre Räume.

FASHION FLOORS orientiert sich an textilen Designklassikern, die ganze Jahrzehnte prägten, mit denen man bekannte Persönlichkeiten verbindet und ein spezielles Lebensgefühl assoziiert.

FASHION FLOORS zeigt sich in sechs einzigartigen Themenwelten. Von den frischen und lebhaften Tweed- und Boucléstoffen von „Oh Jacky O.“ über die dezent sachlichen und ausgleichenden Anzugstoffe von „Hey James“, den neu interpretierten Schottenmustern von „Highland Elegance“, bis hin zur kontrastreichen „Miss Pepita“ und den derben und erdverbundenen Wolltweeds, die „Very British“ daher kommen.

„Kleiden“ Sie Ihre Räume mit Stil – sei es in Hotelzimmern, Büros, Korridoren, Lobbies, Ladengeschäften oder der Gastronomie.

Denn...

Teppiche machen Räume!**

en Fashion and classics

In the world of textiles, fashion refers to designing or wearing textiles that apply to a certain period of time. Subject to continuous change, fashions are snapshots of a certain zeitgeist. If a defining zeitgeist persists through several fads, then the textile pattern is considered a classic.

Textile fashion conveys emotions, reveals our identity and contributes to our well-being – both with respect clothing and carpets. That's why our FASHION FLOORS design line lays fashionable classics at your feet. Dress your floor with a carpet to create new, unique highlights for your rooms.

FASHION FLOORS is oriented towards textile design classics that have shaped entire decades, are associated with well-known personalities and recall a special outlook on life.

FASHION FLOORS is available in six unique themes. These include the fresh and lively tweed and bouclé fabrics of 'Oh Jacky O.', the discreetly business-like and balancing suit fabrics of 'Hey James', the newly interpreted tartan patterns of 'Highland Elegance', the contrasting 'Miss Pepita' and the coarse and earthy wool tweeds that come across as 'Very British'.

'Dress' your rooms with style – be it hotel rooms, offices, corridors, lobbies, retail shops or restaurants.

After all ...

**Clothes are what make people – and
carpets do the same for rooms.**

fr Mode et classique

Dans le domaine du textile, la mode (du français mode, du latin modus) désigne la règle en vigueur au cours d'une période donnée afin de concevoir ou porter des articles textiles. Les modes sont des instantanés d'un certain esprit du temps et sont soumises à un changement perpétuel. Si un esprit du temps déterminant dure pendant plusieurs vagues de mode, le motif textile est alors considéré comme un « classique ».

La mode du textile transmet des émotions, révèle notre identité et contribue à notre bien-être, pour les vêtements, tout comme pour les tapis. C'est pourquoi notre ligne design FASHION FLOORS met à vos pieds des classiques de la mode. Habillez votre sol d'un tapis moquette et créez ainsi des accents nouveaux et uniques dans vos pièces.

FASHION FLOORS s'inspire des classiques du design textile ayant marqué des décennies entières, auxquels nous associons des personnalités célèbres, des sentiments et des émotions particuliers.

FASHION FLOORS se présente en 6 univers thématiques uniques. Des tweeds et bouclettes aux couleurs fraîches et vives de « Oh Jacky O. » aux tissus pour costumes discrètement sobres et équilibrés de « Hey James », en passant par les motifs de style écossais réinterprétés de « Highland Elegance », et les contrastes de « Miss Pepita » et les tweeds de laine grossiers et communs de « Very British ». « Habillez » vos pièces avec style, que ce soit dans les chambres d'hôtel, les bureaux, les couloirs, les halls d'entrée, les magasins ou les restaurants.
